

TUFF
RING
MURRAY EQUIPMENT BASES

A NEW ERA IN EMISSIONS. MEETS A NEW ERA IN TUFFNESS.

From the creators of TuffBase, TuffRing is for vertical pressurized vessels with a skirted bottom plate. This is the first and only base that can be set up by hand in minutes for this application. No cracking, easy to level, no wasted time. Ships nationwide. Available sizes: 5', 12' and 15'6" for all types and heights of vertical vessels.
