

ENTERING A NEW ERA OF TUFF.

From the creators of TuffBase, TuffSquare is solving base problems for all equipment that may not be standard in size or use. Palletized, linkable, stackable, modular, and ready to be moved from site to site with ease when your project comes to an end. Set up by hand in minutes. No cracking, easy to level, no wasted time. Ships nationwide. Available in 3'x3' for all types and heights of equipment. Multiple weight capacities available.

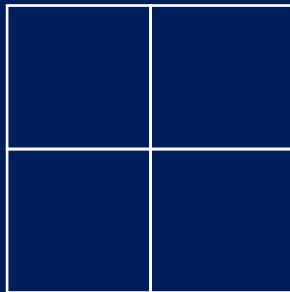

3' x 3'

3' x 6'

5"

6' x 6'

10"

The combinations are endless.
